### EDUCATION

Degree	Year	Subject Area/Major Title	
Ph.D.	1997	Urban and Environmental Sciences	
Department		College/School	Institution
		Lally School of Management	Rensselaer Polytechnic Institute
Thesis/Dissertation Title		Achieving the Objectives of the International Safety Management Code: The Role of the Consultant and the External Auditor	

Degree	Year	Subject Area/Major Title	
M.S.	1982	Environmental Studies	
Department		College/School	Institution
Business			University of Wisconsin- Green Bay
Thesis/Dissertation Title		A Lake Michigan Hovercraft Ferry System: Environmental Analysis	

Degree	Year	Subject Area/Major Title	
B.S.	1973	Marine Transportation	
Department		College/School	Institution
Marine Transportation			United States Merchant Marine Academy

### PROFESSIONAL CERTIFICATES

Certificate	Year
Instructor Fresh Connection Simulation	2018
Institution/Organization	

Certificate	Year
Merchant Marine License: Master of Steam or Motor Vessels of any Gross Tons upon Oceans	2017 valid until 2022
Institution/Organization	United States Coast Guard

Certificate		Year
Standards for the Training and Certification of Watchstanders, (STCW 95) Certified: Safety and Survival, First Aid, Advanced Marine Firefighting, CPR, Radar Endorsement. License put into continuity February 2023.		2017 valid until 2022
Institution/Organization	United States Coast Guard	

Certificate		Year
Certified in Transportation and Logistics		2005
Institution/Organization	American Society of Transportation and Logistics and APICS 2016	

## EMPLOYMENT

Position	From	To	Department/School	Institution
Professor	2004	2022	School of Business & Economics	University of Wisconsin-Superior
Chair	2011	2015	Department of Business and Economics	University of Wisconsin-Superior
Associate Professor	1999	2003	Department of Business & Economics	University of Wisconsin-Superior
Director	1999	Present	School of Business & Economics	Transportation and Logistics Research Center – UW-Superior
Co-Director	2005	Present	School of Business and Economics	Great Lakes Maritime Research Institute – UW-Superior and University of Minnesota-Duluth

Position	From	To	Department/School	Institution
Professor	1995	1999	Marine Transportation	United States Merchant Marine Academy
Head Department of Marine Transportation	1989	1996	Marine Transportation	United States Merchant Marine Academy
Associate Professor	1987	1994	Marine Transportation	United States Merchant Marine Academy

Position	From	To		Institution
Fleet Manager	1985	1987	Operations	Falcon Carriers, Houston, Texas
Master of vessels	1982	1985	Operations	Point Shipping, New York, Falcon Carriers, Houston, Texas

Position	From	To	Department/School	Institution
Mate of vessels	1973	1981	Operations	IOP, Gulf Oil, Philadelphia, PA
Ordinary Seaman	1967	1968	Operations	Sailors Union of the Pacific

**D. Competitive Research Grant**

1. “Model Analysis of the Effect of Reduced Ice Coverage on Great Lakes Marine Transportation”, Richard Stewart, (PI), Daniel Rust, PhD (Co-PI) Wisconsin Sea Grant award of \$116,021, 2020
2. Principal Investigator Wisconsin Space Grant Consortium 2019-2020 Special Initiatives Grant award \$5,000.00 grant: Air and Space Camp for High School Girls
3. Principal Investigator Wisconsin Space Grant Consortium 2017-2018 Special Initiatives Grant award. \$3,000.00 grant: Air and Space Camp for High School Girls.

4. Principal Investigator Wisconsin Space Grant Consortium 2016-2017 Higher Education Incentives Grant award. \$9,993.00 grant: “Developing a Model for Supply Chain Management Internships in the Aeronautics and Space Industry and Government,”
5. Principal Investigator Wisconsin Space Grant Consortium to develop and host 26th Annual 2016 Wisconsin Space Grant Annual Meeting at UW-Superior August 10-12. \$10,000
6. “Maritime Transportation System Recovery (MTSR) Plan Gap Analysis for the Twin Ports of Duluth, MN and Superior, WI”, Prepared for the Duluth Seaway Port Authority and the State of Minnesota, Department of Public Safety, Homeland Security and Emergency Management (HSEM) PI-Richard D. Stewart, Carol J. Wolosz, Heidi Zierden, Great Lakes Maritime Research Institute, July 01, 2012. \$75,000 award, the report is a secure document and cannot be publicly released.
7. Co-Principal Investigator for Co-operative Agreement between the U.S. Maritime Administration and the Great Lakes Maritime Research Institute to conduct research on maritime commerce on the Great Lakes. Awarded September 2011, up to \$2,000,000 each year over five years.
8. Principal Investigator for federal grant “Improving Container Pooling in the Upper Midwest”, Center for Freight Infrastructure Research and Education (CFIRE) Awarded August 2011, \$75,000.
9. Co-Principal Investigator for federal grant for the Great Lakes Maritime Research Institute to conduct research on maritime commerce on the Great Lakes. Awarded October 2010, \$450,000.
10. Principal Investigator for federal grant “Improving Log Transportation with Data Based Monitoring and Analysis in Northern Wisconsin and Upper Peninsula of Michigan”, Center for Freight Infrastructure Research and Education (CFIRE), Awarded June 2010, \$70,000.
11. Center for Freight Infrastructure Research and Education (CFIRE) National University Transportation Center National Center consortium member 2010-2016, \$750,000.
12. Principal Investigator EPA Region 5 Clean Diesel Grant to Repower the M/V Edwin H. Gott, US EPA and Key Lakes I, Inc. July 2010, \$750,000.
13. Principal Investigator on “Study of Greenhouse Gas Saving Associated with Congestion Reduction Using Multi Modal Optimization of Timber Shipments in the North Central United States”, US Department of Transportation, Awarded October 2008, \$250,000.
14. Center for Freight Infrastructure Research and Education (CFIRE), National University Transportation Center National Center consortium member, 2008-2010, \$300,000.
15. Co-Principal Investigator for federal grant to establish Great Lakes Maritime Research Institute and conduct research on maritime commerce on the Great Lakes. Awarded 2005, 2006, 2007, 2008 and 2009, \$5.25 Million.
16. Principal Investigator for grant on Evaluation of Shipper Requirements and Rail Service for Northern Wisconsin and the Upper Peninsula of Michigan. US Department of Transportation, Wisconsin Department of Transportation, and CN Railroad, Awarded April 2005. \$250,000.
17. Rail to Truck Modal Shift: Impact of Increased Freight Traffic on Pavement Maintenance Costs, Midwest Regional University Transportation Center, Wisconsin Department of Transportation. Awarded April 2005, \$87,000.
18. Principal Investigator for grant establishing guidelines for warehouse interns, Warehouse Education Research Council, Awarded December 2002, \$25,000.
19. Principal Investigator for grant on Potential Establishment of an Intermodal Service for the Twin Ports. Midwest Regional University Transportation Center; U.S., Wisconsin and

- Minnesota Departments of Transportation; Metropolitan Interstate Planning Committee; and Duluth Seaway Port Authority, Awarded November 2001, \$150,000.
20. Principal Investigator: Pig Iron Supply Chain, Northshore Mining Corporation, Awarded, 2000, \$35,000.
  21. Researcher for US Department of Transportation Grant to develop teaching modules in Transportation, Distribution and Logistics, Awarded June 2000-January 2002. \$15,000.
  22. 20. Principal Investigator for US Department of Labor Title III Grant to develop training program and train incumbent workers in Transportation and Logistics, Awarded 1999-2002, \$900,000.
  23. Project Manager for research contract, "Computer Based Rules of the Road: Interactive Computer Testing," Phase I & II for US Coast Guard Research and Development Center, 1996, \$25,000.
  24. Researcher and Field Tester, "Dependent Automatic Tracking System for Vessel Traffic Services," USCG Research and Development Center. Awarded \$25,000, 1995.
  25. Co-Principal Investigator for National Science Foundation Grant for "Development of Teaching through Interactive Computer Systems," US Merchant Marine Academy, 1991 - 1993.
