Resident  
Profile:

## Hepatitis/Meningitis Information #1

Per Wis. Stat. § 36.25(46), 252.09 (2003), Residence Life is required to provide information on meningococcal disease and hepatitis B, in addition to the availability and effectiveness of vaccines against these diseases. Please read the detailed information regarding meningococcal disease, hepatitis B disease, and vaccine regarding student immunizations provided on the Student Health and Counseling Services website at <https://www.uwsuper.edu/shcs/physicalhealth/student-immunizations.cfm>.

Have you read the information regarding meningococcal disease, hepatitis B disease, and vaccine on the Student Health and Counseling Services website?

Yes  No

Have you had your Hepatitis vaccination?\*

Have you had your Hepatitis vaccination? Yes  Have you had your Hepatitis vaccination? No

Have you had your Meningitis vaccination?\*

Have you had your Meningitis vaccination? Yes  Have you had your Meningitis vaccination? No

## Living Preference #1

**Check out the different living communities available to you (UWS Freshmen only).**

We have four new living communities available exclusively for new freshmen.

A. [Academic-Focused Living Community](#): Opportunities for direct tutoring and additional academic support and involvement with faculty or University Fellow.

B. [Adventure Living Community](#): Experience adventures such as rock climbing, hiking trips, and outdoor survival skills.

C. [Jacket Intramural Living Community](#): Participate in activities such as broom-ball, kickball, volleyball, dodge-ball, and floor hockey.

D. [Creative Arts Living Community](#): Experiences may include painting at a local studio, attending a symphony performance, or group trips to a theater.
