TEACHING EXPERIENCE

Sixth Grade ELA

2006-present

Superior Middle School Superior, WI

Developed lessons, assessments and implemented district curriculum meeting Common Core Standards and student needs in regards to reading, writing, speaking and listening. Used technology including Google Classroom and other Google aps, digital and video presentations to enhance student learning. Taught general education and special education populations including Specific Learning Disability, Emotional/Behavioral Disability, Autism and Spectrum Disorder and Other Health Impairment students. Developed and implemented lessons for a class designed to support Tier II students not reading at target levels and monitored progress. Worked with student teachers and student observers to support teacher education.

Fifth Grade Teacher

1991-2005

Four Corners Elementary Superior, WI

Responsible for curricular decisions and instruction of students in all content areas. Developed units based on state standards using the Understanding by Design format. Received a grant for purchasing trade books to teach American History. Involved students in extra projects such as running the school store and raising money to build a classroom in Indonesia after the 2004 tsunami.

Sixth Grade Teacher

1990-1991

Cooper Elementary Superior, WI

Provided instruction in all content areas in a 5-6 Grade Pod. Responsible for developing curriculum for the advanced math and language arts classes.

Third Grade Teacher
Merrill, WI

Pine River Elementary
1986-1989

Taught third grade students at a small rural school in Merrill, WI. Responsible for teaching all subject areas. Wrote and edited the school newspaper.

Preschool Teacher/Administrator
Wausau, WI

Wausau Child Care, Inc.
1982-1986

Worked as a head teacher for two-three year olds. Was responsible for running the summer School -Aged Program. Promoted to the Director of the West Side 2-12 Year Old Program in 1984.
